## WELCOME TO THE MIGHTY CREATIVES!

Established in 2009, The Mighty Creatives is a charity which has transformed the lives of children and young people through arts, culture and creativity. Based at the heart of the cultural quarter in Leicester, we have served children and young people's communities across the Midlands, reaching across the UK and Internationally through our partnership work.

### **Our Values are:**

#### **We know our stuff**

We are passionate and knowledgeable about the cause and the programmes we deliver

#### **We Listen**

We are a learning organisation, informed by data and directed by evidence

#### **We Make a difference**

We reflect on our work to enable, innovate and deliver change with style and ambition.

### We have:

- Considerable expertise and experience in the fields of education, culture and youth engagement and empowerment
- A well-managed, robust and financially sound organisation
- Excellent regional and national partnerships
- Tried, tested and scalable programmes that contribute to positive, lasting transformation.

We work in partnership with children and young people, key funders and sector partners to champion, develop, deliver and grow:

- Services that can be scaled up, demonstrate reach and result in significant and measurable cultural and social impacts
- Inspiring opportunities for children and young people to engage with arts and culture
- Investment in children and young people's own creative skills, knowledge and practice
- Capacity in the cultural and education sectors to support the infrastructure of the region
- Programmes of cultural and creative education regionally, nationally and internationally
- Models of practice which ensure that the creative voices of children and young people are at the heart of all our programmes.

### **Our Vision, Mission and Theory of Change**

**Our vision** is to fight for a world where all children and young people will harness the power of arts, creativity and culture in order to transform themselves, their communities and their futures.

Listening and acting upon all the creative voices of children and young people is at the heart of our mission, particularly those of the most excluded and disadvantaged. Children and young people's creative voices are woven through our products and services and ensure that children and young people will:

- Develop the self-esteem and confidence to be themselves
- Take risks to challenge, innovate and test the world
- See themselves as active producers of culture, not just as passive consumers
- Develop leadership skills
- Influence their communities
- Take their place on a world stage

**Our mission** is driven by six strategic objectives:

1. Improving access to arts, culture and creativity
2. Raising aspirations of children and young people
3. Empowering children and young people to make positive social change
4. Advocating for the power of arts, culture and creativity
5. Increasing investment in children and young people's arts, culture and creativity
6. Sustaining the charity's organisational resilience to meet our vision

**Our Theory of Change** starts with the problem statement, "*Too many children and young people live their lives in poverty, without arts, culture and creativity. This contributes to their educational under-achievement, poor physical and mental health, restricted social mobility and reduced employment and enterprise opportunities*". Our long term goal is to improve the personal and social wellbeing, skills and education, cultural engagement and economic prospects of all children and young people in the Midlands, particularly those in the most disadvantaged places and from priority groups.

Our Theory of Change illustrates how we will work strategically and collaboratively to achieve and demonstrate personal, educational, social and economic outcomes for children and young people. It provides a summary of the changes that will occur and provides the context for our strategic goals, future partnerships and delivery plan.

The aim is for our workforce to be truly representative of all sections of society and our customers, and for each employee to feel respected and able to give their best.

### Our Diversity Statement

The Mighty Creatives' believe that the way we act and the things we do have an effect on the world around us. To make sure this effect is a positive one we believe in continuously reflecting on our day-to-day activities, beliefs and values in order to challenge stereotypes and assumptions that may guide our decision-making and action-planning. This is why we use critical thinking and imagination in our planning, evaluation, reporting and performance management processes. This practice helps us to take more risks and challenge our own and the sector's perceptions. As part of this, we are committed to co-production, and to championing and listening to the voices of children and young people.

### Our commitments

TMC endorses the statutory obligations required by legislation, best practice codes and expectations of our funders, staff, participants and partners in the areas of sex, sexual orientation, gender reassignment, marital or civil partnership status, pregnancy or maternity, race, ethnic origin, nationality, socio-economic status, religion or belief, disability or age.

We are committed to providing a working environment in which all of our people are able to realise their full potential and to contribute to the charity's success. We are working towards best practice recruitment based on equal opportunities in order to diversify our paid and volunteer workforce and boards and pursue workplace practices, policies and procedures that enable all TMC to thrive.

We will actively create a culture of inclusion across our programmes and services. We will collaborate with the communities we work with to celebrate the talents of all the people and make a positive impact. We will challenge discrimination and prejudice where we find it. We will actively identify, champion and share good practice.

We are committed to doing this as we see that it will improve benefits to participants, deliver better quality of services and improve the effectiveness of our organisation.

We will make opportunities for training, development and progress available to all staff, who will be helped and encouraged to develop their full potential, so their talents and resources can be fully utilised to maximise the efficiency of the organisation.

Employment practices and procedures will be reviewed when necessary to ensure fairness, and also update them and the policy to take account of changes in the law.

## DBS

Some activity delivered by The Mighty Creatives staff may fall under 'regulated' activity. In this case staff carrying out these roles will require an Enhanced DBS with a check of the barred list. For The Mighty Creatives this is most likely to apply to direct delivery with children and young people such as residential activity but may also apply to project and programme activity. There may be a lower level of check required in some areas of our work where all regulated activity criteria are met **apart** from the number of times the activity is carried out in a month. ### The Mighty Employers: Kick starting new employment opportunities for young people

#### What is the Kickstart scheme?

The Government announced the creation of the Kickstart Scheme in September 2020. The scheme is run by the Dept. of Work and Pensions (DWP) and funds the direct creation of high quality 6-month job placements for young people aged between 16 and 24 years old, who are on Universal Credit and at risk of long-term unemployment.

It aims to give young people the chance to build their confidence and skills in the workplace, and to gain experience that will improve their chances of going on to find employment. More information can be found at: <https://kickstart.campaign.gov.uk>

DWP funding covers the age-relevant National Minimum Wage for 25 hours a week, plus the associated employer National Insurance contributions and employer minimum automatic enrolment contributions. There is also an extra cash grant of £1,500 to support each Kickstarter.

## How The Mighty Creatives are helping?

We are establishing a group of employers – our **'Mighty Employers'** who are committed to the principles of the Kickstart programme and employing young people – the **Kickstarters** - in meaningful roles that will support their host organisation and their own development.

We have become a Gateway Organisation for the DWP and are now working with employers to contribute to the transformation of young peoples' lives through opening up new job opportunities for them. We offer four levels of support to employers:

- Grant Administration
- Grant Administration and a Wrap Around support programme to the young people in partnership with our partners, Upstart Projects and other agencies where appropriate
- Grant Administration, Wrap Around Support and Silver Arts Award in partnership with Upstart Projects.
- Grant Administration and access to the Mighty Employers Network

As of 31 December 2020, we have had 61 Kickstart jobs approved by the DWP and are aiming to plan for a further 250 jobs to be advertised and recruited to in the first three months of 2021.

## FAQs about the recruitment process

### I've got more to say but no space to say it – what should I do?

The great thing about an electronic application form is that the boxes expand the more you type, so you can get as much down as you need to (within reason!)

### How will I know my application has arrived safe and sound?

If you email your application to us at [recruitment@themightycreatives.com](mailto:recruitment@themightycreatives.com) (which we'd much prefer) you'll get an email back before the closing date to confirm that we've got it and to thank you for taking the time to apply. Unfortunately, we can't confirm receipt of any posted applications.

### Can I submit a CV instead of the application form?

Sorry, but we don't accept CVs, as they often leave out important information that we want to ask you about – hence the form.

### It's been a while since I contacted you – have you forgotten me?

Never! However, we do have limited resources and unfortunately if we haven't contacted you by the interview date stated above, it does mean that you have been unsuccessful on this occasion.

### **I have questions. What should I do?**

If you feel that you have unanswered questions regarding the role you are thinking of applying for then please email [recruitment@themightycreatives.com](mailto:recruitment@themightycreatives.com) with your contact details and question and we'll have a member of our team ring you back as soon as they can.
