Leadership announcement: Chief Executive transition

We would like to announce that Dr Nick Owen MBE will step down as our Chief Executive after more than 10 years of dedicated leadership, and that Sooree Pillay will join us as our new Chief Executive in December.

During his time with us, Nick has played a central role in shaping our organisation and guiding its development. We are deeply grateful for his commitment, experience and leadership over the past decade, and for the lasting contribution he has made to our colleagues, partners and communities.

Sooree joins us from Orchestra Live, bringing valuable experience and a strong commitment to widening access, building partnerships and creating meaningful impact. We look forward to welcoming her and working with her as she leads the organisation into its next chapter.

Nick and Sooree will work together to support a smooth transition ahead of Sooree taking up the role in December. Further updates will be shared in due course.
